*"It was very important to us that our child was able to access therapy during the school day and at no cost to us. We had explored other therapy options in the past, but the cost was prohibitive, and the time it took to travel to appointments often meant my child would have to leave school early." – STARS Client's Parent*

*"Every time I walk out of my therapist's room, I get the sensation that I'm starting fresh. Every time I walk in their room, I feel appreciated and safe." – STARS Client*

*"It was helpful that I could reach out to my therapist at school whenever I wanted or needed to, and it felt like they didn't judge me. They made me feel validated." – STARS Client*
