Help Us Build the Garden

Capital Campaign Project

Within just the 12 hospitals we partner with, over 400 families are affected by pregnancy, infant or child loss *each year*. And most do not have a special place to go to honor or celebrate the memory of their loved one. On donated property in the heart of Jones Valley, Ryker's Rainbow has formalized plans to build a peace garden for bereaved families featuring a walking labyrinth, three memory walls holding the names of babies gone too soon, a pergola with park benches and swings, and a place to gather as a community. It would be an honor to share more details with you.

OUR MISSION: To provide tangible, financial and emotional support to families who experience the loss of a pregnancy, infant or child.

OUR MOTTO: “Be the Light”

Ryker was born on the Summer Solstice, the longest day of light in a year. And when we think of him, we think of light. It is our hope that together with you, we may give and bring light to families on what is likely their darkest days.

OUR STORY: On June 20, 2020, Ryker Owen Schoff was called to his Heavenly home. While searching for support groups for families who have lost babies and children, we saw an immediate need for an organization to not only support families while *in* the hospital, but to walk alongside them throughout their grief journey. Ryker's Rainbow was formed so families know they are not alone, and to date, has served hundreds of not only local families, but many families across the US.
