ABOUT US

In 1890, a group of women came together and formed the Women's Auxiliary to help support **Reading Hospital** by holding various fundraising events. As the auxiliary grew, a new name for the group was given: **The Friends of Reading Hospital**. As its name suggests, **The Friends** reflect the close relationship between **Reading Hospital** and its surrounding community. While fundraising events have changed over the years, the direction remains the same: to serve the **Mission of Reading Hospital**.

OUR MISSION

The Friends of Reading Hospital is a volunteer organization committed to serving the mission of **Reading Hospital** by providing quality services and programs for the **Hospital** and community.

OUR VISION

The vision of **The Friends of Reading Hospital** is to support **Reading Hospital's** patients and employees by transforming the lives of the people we serve through excellent clinical practices and procedures, patient-centered, caring service, and unmatched physician and employee commitment.

OUR PROJECT

Proceeds from **Farm to Table(aux)** will support the creation of a new state-of-the-art Neonatal Intensive Care Unit (NICU) at **Reading Hospital**, designed to deliver the highest level of care to our most vulnerable patients. Featuring advanced incubators, integrated monitoring systems, and non-invasive imaging technology, the unit will enable timely, precise interventions while minimizing discomfort for infants. Thoughtfully designed with private family spaces, calming environments, and resources for overnight stays, the NICU will foster healing, bonding, and support during critical moments. This project reflects our unwavering commitment to innovation, excellence, and compassionate, family-centered care.
